here password you need to create a password in your gmail account before that we need to enable the 2 way verification from your gmail account.

Like type – app password

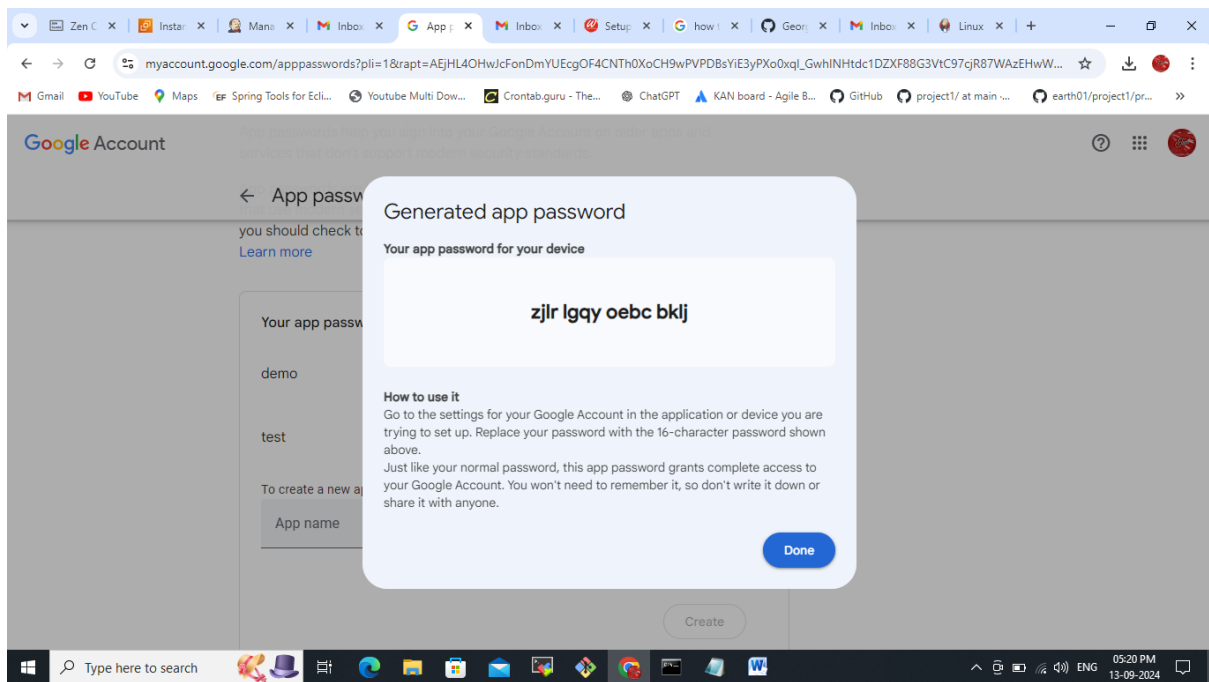

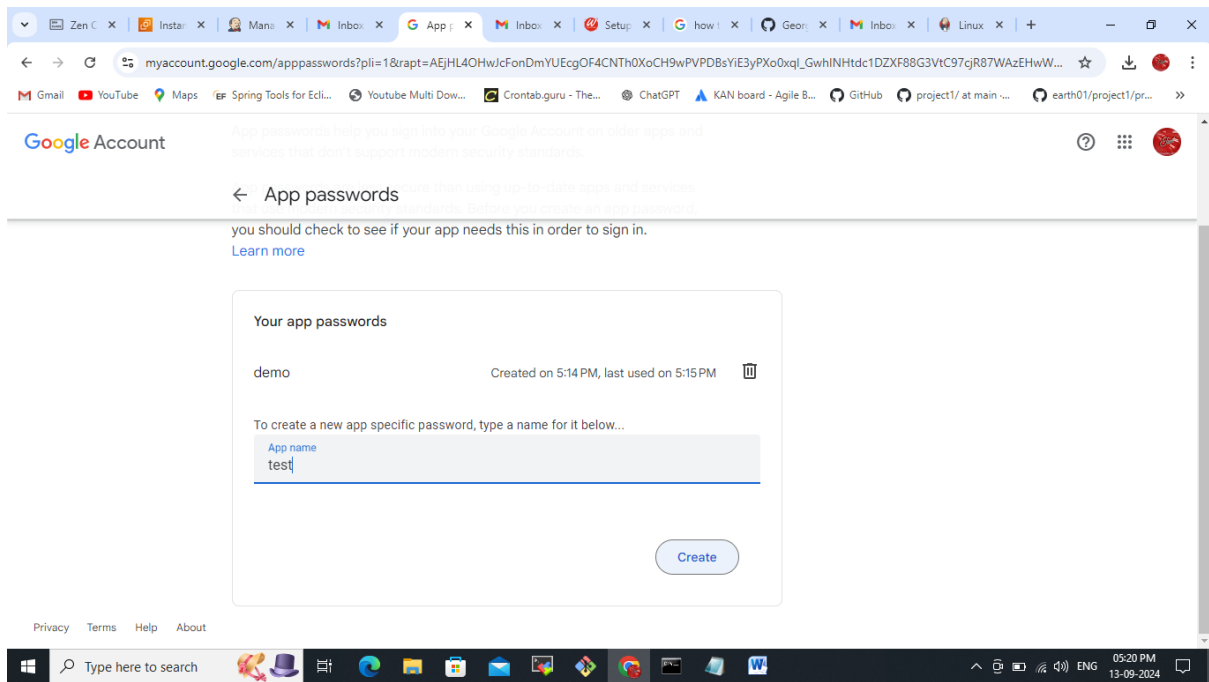

app set up in your gmail:

the above already created one once you click create app name you will get immediately get popup you need to save it and paste the password screen in Jenkins

Example

This is the password

Install Jenkins

create pipeline for this email notifications

New Item

Enter an item name

email-test

Select an item type

-  **Freestyle project**
Classic, general-purpose job type that checks out from up to one SCM, executes build steps serially, followed by post-build steps like archiving artifacts and sending email notifications.
-  **Pipeline**
Orchestrates long-running activities that can span multiple build agents. Suitable for building pipelines (formerly known as workflows) and/or organizing complex activities that do not easily fit in free-style job type.
-  **Multi-configuration project**

OK

Pipeline script:

```
pipeline {
```

```
    agent any
```

```
    stages('Email Jenkins pipeline') {
```

```
        stage('test email') {
```

```
            steps {
```

```
                mail bcc: '', body: 'Hello, This is an email from jenkins pipeline.', cc: '', from: '', replyTo: '',  
subject:'EmailJenkinsPipeline', to: 'geo.jeni3004@gmail.com'
```

```
            } }
```

```
}
```

The screenshot shows the Jenkins web interface. At the top is a navigation bar with the Jenkins logo, a search bar, and user information (admin). Below this is a sidebar with links to 'New Item', 'Build History', 'Manage Jenkins', and 'My Views'. The main content area displays a table of builds. The 'email-test' build is currently in progress, indicated by a green play icon. The table columns are 'S' (Status), 'W' (Webhook), 'Name', 'Last Success', 'Last Failure', and 'Last Duration'. Below the table, there are sections for 'Build Queue' (showing no builds) and 'Build Executor Status' (showing two idle executors). The bottom status bar shows 'REST API' and 'Jenkins 2.462.2'.

S	W	Name	Last Success	Last Failure	Last Duration
✓	☁	email-test	1 min 58 sec #4	2 min 57 sec #3	6.4 sec

Build Queue: No builds in the queue.

Build Executor Status:

- 1 Idle
- 2 Idle
